

Sri KONDAJJI BASAPPA.—In fact the Village Level Worker has been promoted as an Extension Officer in the Co-operation Department. If they are graduates they get the same pay and there cannot be any difference. There is agitation from the Co-operation Extension Officers that their scales must be raised to those of the Extension Officers in the Industries Department. There is a proposal sent by the Registrar of Co-operative Societies and that question is being examined.

Mr. SPEAKER.—Question Hour is over.
